

ACCREDITATION DISABLED PEOPLE

AC Monza has set up a free seat reservation service for disabled people, who have been recognized as having 100% civil disability with the right to continuous assistance, and their accompanying adults.

ATTENTION: the places available in the Disabled People Stand are limited in number. We therefore recommend to submit the accreditation request in advance: from 10 days before the match and by and no later than two working days prior to the match.

Procedure to follow to submit the accreditation request:

- Send an email to disabili@acmonza.com specifying the match for which the request is being submitted, attaching the identity cards of the disabled person and their accompanying person, the certificate of disability and the Privacy Policy downloadable at the bottom of this page.
- If the accreditation is confirmed, you will receive an email with the tickets.

If you don't receive a response, it means that the request was rejected due to depletion of seats.

Please note that the ticket is personal and cannot be transferred in any way to other people.

How to access the stadium:

It is mandatory to be in possession of a valid identity document to access the stadium.

It is recommended to arrive at the Stadium early.
